

# Walk MS Clubs

## Golden Toe Club

Take the challenge to become a Golden Toe Club member for Walk MS. There is only one requirement – to raise at least \$500 for Walk MS. In 2012, the 122 members of the Golden Toe Club collected over \$150,000. Club members receive a golden cap or jacket in their initial year of membership and a “year pin” for each additional year of membership.

All Golden Toe Club members from the previous year receive: special recognition at the Walk MS opening ceremony, special “no waiting” registration / check-in area at Walk MS: Toledo, VIP parking, updates on research projects funded in part by your Walk MS pledges, and invitations to special recognition & research events throughout the year. Set your goal today to become a Golden Toe!

## Champions 4 MS

Champions 4 MS (*formerly the Sole Survivor Club*) recognizes those participants of 4 or more years. Be sure to check-in to receive a special memento at your Walk MS site.

## I'M a Survivor Club

This Club honors the people living with multiple sclerosis. Registered Walk MS participants who have MS will receive a t-shirt provided compliments of Dave's Running Shop.

## Mission Possible Club

The Mission Possible Club represents raising \$1 for every person living with MS in the Northwestern Ohio Chapter's 26 county service area, or \$3,400.

This Club rewards both individuals and team who reach this level of fundraising.

*Club levels are awarded based on donations received at the National MS Society by **May 31, 2013.***
